**NORWAY AND VICINITY**

Miss Ruth Forbes of New Bedford, Mass., is the guest of Miss Elizabeth O. Lasse at her summer home at Norway Lake. Miss Gertrude O. Gardner has also been a guest there.

Mr. and Mrs. Charles Smith of Deerfield spent the day Sunday with their sister, Miss Edith M. Smith.  
Mr. and Mrs. Clarence L. Decosta, Mrs. H. C. Sanborn and two children are at Haven Cottage, Old Orchard for two weeks.

Station Agent Routhier and wife are taking a ten days vacation in Quebec. H. O. Reed of South Paris station is substituting.

Elmer Aldrich and family have occupied a cottage at the Empire Camp ground and attended the meeting the first two days.

Mr. Hicks, advance agent for Cooper Bros. Combined Shows, was in town, Friday, arranging for their appearance here on Thursday, August 30. He secured the Fridge lot on Cottage street, beyond Charles G. Blake's lumber yard.

Mr. Hicks stated that the Cooper Bros. outfit is a twin to the Cole Bros. show, which played here a year or so ago, with both under the same management. They worked in two special cars on regular passenger trains and how the one ring circus and side show can be transported in a single baggage car is a mystery to the layman. About seventy people are carried with numerous feature acts from the big circuses. The show will arrive from Bethel.

One of the pine trees on Orchard street, on Mrs. Emma H. Mann's land, was cut down and it measured 26 inches in diameter and was 42 years old.

Turgeon, the Auburn Aviator, spent Friday at Shepherd's Camp, arriving by telephone. He made several flights over Norway, Greenwood and Paris, carrying a number of summer guests in quest of real sport.

Norway was well represented at the "Human Fly" exhibition on the Pythian Block, at South Paris, Friday evening. Post Commissioner Harry Lovejoy has trimmed the turf along the edges on the main street concrete road. This gives a neat appearance and a good impression.

Linwood Flint of Waterford was in town, Aug. 13, on his way to Lewiston. He reported business good at the Porcupine Farm and the fiddling trade at top notch. Prof. Flint is tempted to resign the fiddling trade for the fairs and cover the regular circuit, after an absence of several years. He can put up a collection of animals worth going miles to see, but that pesky fiddling "spasm" and other jazzing functions, has practically consumed the side show instinct. This must be true for he admits it.

The Old Fashioned Dance will be held at the Norway Lake Pavilion Friday evening, August 24, with music by Mel Bonham.

Mr. and Mrs. Frank Freeman, who have been recent guests at Chester Flint's, have returned to their home in Middleburgh, N. Y. They made the trip in their new Marmon sedan.

C. A. Flint has been entertaining his aunt and cousin, Mrs. Hannah Saunders and Mrs. J. J. McKenzie of Malden, Mass.

Arthur Flint visited friends at Pike's Hill, Sunday.

Miss Webster Perry of Abington, Mass. is visiting her cousin, Mrs. Chester Flint. Louis A. Alexander, brother of Mrs. E. F. Smith, and his sons, Vinton W. and Louis A., Jr., have been guests at "The Alexander" Cottage this week. Mr. Wm. A. Bibber and daughter Marion of Richmond.

Something broke in the town clock at 9:01 Tuesday evening and the machinery started on a wild race. Gears were stripped and there was a general rumpus as the heavy weights dropped into the basement. Extensive repairs are necessary and an expert from the factory may be needed to set matters straight.

Wences of Mooseheart Legion are to observe children's night on Friday night, Sept. 14.

The table girls at Lakeside Inn enjoyed a picnic at Gibson's Grove, namely, Hazel Kimball, Gertrude Gray, Ella McLaughlin, Adelaide French and Vivian Hoar.

Lynford Wells, Cherrie Noble, Gertrude Brown and Guy Ingalls motored to Bethel, Thursday evening, and attended garage meeting.

The last of the Central Maine Power Co. poles were removed from the north side of Main street, Wednesday and Thursday. All telephone and transmission wires are on one side and not a zig-zag network as heretofore.

Bill posters for the Cooper Bros. shows arrived Thursday to decorate bare walls and proclaiming circus day to be Aug. 30.

V. Akers, Stephen B. Cummings, Ralph Haskell and Henry C. Cullinan started Thursday morning by auto for Mt. Katahdin. They plan to camp at Lake Umbagog Thursday night and Friday night or longer. This will be a fine trip for sight seeing, recreation and picture making.

Hazel E. Bicknell, proprietor of The Fashion Shop has returned from a week's vacation at Old Orchard, New Meadows Inn and at Auburn with her sister, Mrs. John Wood.

Mr. and Mrs. Ambrose Warren and son of Boston are spending a few days with his mother, Mrs. W. H. Warren and sister, Mrs. George A. Brooks.

Mr. and Mrs. Eugene Flood of Farmington spent the week end with Mrs. Flood's sister, Mrs. Maud DeCoster.

Francis Ray, daughter of Mr. and Mrs. S. Ray, who has been ill with rheumatic fever, is gaining, and the trained nurse has left.

Mrs. Charles G. Blake returned home from Harrison, Sunday, and is taking treatment for rheumatism. Relatives from Meredith, N. H., are stopping with Mr. and Mrs. Blake for the present.

Parlin's Bowling Alley is turning out good players. Madeline Hayden leads the women's record of 93 for one string and Jimmie Robinson, the popular short stop on the Twin Towns, made 346 in three strings and is the town champion to date. Summer business has been good with cooler weather bringing a decided increase.

Mabel Haskell of New Haven, Conn., is visiting her uncle and cousin, Frank P. Stone and Beatrice Stone.

**BASEBALL**

**Boston Tigers 8; Twin Towns 4**

The colored team from Boston, traveling as the Tigers, were too snappy and scientific for the Towners at the Fair Grounds, Saturday. The home outfit was not up to a keen edge and gave an exhibition showing, at times, anything but high class stuff. There were numerous brilliant plays staged by White's boys, especially the one-hand scoop by Robinson and the running catch by Billy White. Hayes held the colored team to nine singles, with only six against him to the ninth inning, when the visitors put on a bat fest with three wallops and a pass, netting three runs.

Rain held up the game at the end of the fifth inning with the score 5 to 2 in favor of the Tigers. After a delay of nearly thirty minutes, the game proceeded but wet conditions made clean cut fielding impossible and erratic heaving was a common fault.

Many fans consider this colored team the best all round outfit the Association has booked thus far. The visitors are not only experienced ball players, but left a good impression by their orderly conduct both on the diamond and about town before and after the game. Score by innings:

Innings ..... 1 2 3 4 5 6 7 8 9 R H E  
Tigers ..... 3 0 0 0 2 0 0 3 8 9  
Twin Towns ..... 0 2 0 0 0 1 0 1 0 4 7

Two base hit, White. Struck out by Hayes 8; by Crandup 1. Bases on balls, 4; by Crandup 3. Batteries—Hayes, Knudsen; J. Crandup, Williams. Umpire, George Wilson.

**Twin Towns 9; Livermore Falls 1**  
"Uncle" Ralph Knight occupied the box for Twin Towns at Livermore Falls Tuesday and held the sluggers to seven scattered singles while Vargas, the mysterious twister, was spotted by the Twins with thirteen hits, three by Keville, Moynihan and Peel going for two baggers.

Knights played gift edged ball and proved a strong drawing card for the Androscoggin County fair on their grounds. Score by innings:

Innings ..... 1 2 3 4 5 6 7 8 9 R H E  
Twin Towns ..... 4 0 1 0 0 2 1 1 9 13  
Livermore Falls ..... 0 1 0 0 0 0 0 0 1 7

Summary: Stolen bases, Perry, Sacrifice hit, Keville. Sacrifice fly, Peel. Left on bases T. T.; Livermore Falls 6. Bases on balls, 4; by Crandup 3. Batteries—Hayes, Knudsen; J. Crandup, Williams. Umpire, George Wilson.

**Norway Tournament**  
Dixfield 4, Twin Town 3; Farmington 4, Livermore Falls 3; Farmington 6, Dixfield 2.

Farmington motored home with cream skinned off the Norway Tournament of Clubs in the Tri-County League at Bristol County court against the city of New Bedford, claiming \$5,000 damages for breach of contract. He was removed as superintendent after one faction in the school board returned to power, decided to replace Mr. Morrill with Allen P. Keith, a former superintendent who had been forced out by politics.

Mr. Morrill is a graduate of Bates College in the class of 1907 and previously was superintendent of schools at Norway, going from here to Bangor.

**Ball Players But Not Fishermen**  
Knight and "Uncle" Ralph Knight while collecting medals for good work on the Twin Town baseball aggregation are not so successful with hook and line. The pair went "pup" fishing recently after spending hours collecting tackle, a box of worms and several bushel baskets. They agreed to provide a brook trout supper for the town and great excitement was anticipated.

To conduct a long, painful story, they struggled all day in the boiling sun, and landed six little mongrel fish. Unfortunately the catch became mixed with the earth worms in the excitement of dodging the "bunch" on a home run down back streets. L. H. Cushman an expert in small fry, separated the breeds, using a microscope, and the boys at last have circumstantial evidence they at least "singled" to fulfill the supper contract. According to their friends, the boys will never lead the major fishing league.

**Harry Rust Women's Relief Corps** resumed meetings Wednesday evening and held a most interesting meeting with good attendance. A short memorial service was held for the late Pessant. Several matters of importance were discussed and the business session was a social hour was enjoyed and cake and ice cream were served. The next meeting will be observed as Dollar Night, and the dollars that have been earned during vacation will be handed in with the story of the earning. Members who cannot attend are asked if possible, to send their contribution with the story. It is hoped every member will be on hand.

Elizabeth Crockett Blake Tent, Daughters of Veterans will resume meetings for the year, Friday evening August 31. Five Fridays in the month make this possible and instead of holding the meeting on the Fourth Friday as usual, the meeting will be held a week later, giving one more week of vacation.

Mrs. Alice Rounds Jay, husband and three sons of Portland and Miss Agnes Rounds of Waterville were Sunday guests of Mr. and Mrs. John F. Swain.

One or two fire alarm boxes were changed to new poles and the wires also changed this week. This caused occasional footing of the whistle Monday and Tuesday.

The Norway-Paris band will play at the Patriarchs Militant field day at the fair grounds on September 1.

Donald Rice and Richard Perkins returned early Tuesday from a six days flivver trip to points in Canada, New York State and in New England. They carried a tent and equipment and have camped on three important mountain ranges. The weather was perfect excepting one night rain fell heavily but they escaped a serious wetting.

Mildred Willey of Wakefield, Mass., is the guest of Mr. and Mrs. B. G. McIntire this week.

Q. A. Frost is working for E. B. Jackson, putting in a triple window in the sitting room and some registers for a furnace.

Mr. and Mrs. Bert L. Hutchins and children spent a vacation of several days at Old Orchard on Wesley Avenue. They came home earlier than they expected, owing to the illness of their son Vivian Hutchins, who had an attack of stomach trouble.

**Auto Accident on Lake Road**  
An auto party of six young people, were overturned late Friday night near the old pumping station, between Norway village and Norway Lake. Nellie Sharpe of Roxbury, Mass., a table girl at the Mansion House, Poland Springs, was badly out about the face, eight stitches were taken at the office of Dr. P. Bradbury, where she was treated. Pearing intern injuries, she was taken to the C. M. G. Hospital at Lewiston. Others in the party were badly shaken but not seriously injured so they continued to Poland after undergoing a slight examination.

Charles Pike Insole, proprietor of Lakeside Inn, Norway, was stricken during the night, Tuesday, and passed away about 11 o'clock Wednesday forenoon without regaining consciousness. He spent only his summers here, but was favorably known for his hospitality and genial bearing.

## GIVING OUT

The Struggle Discourages Many a  
Citizen of Norway

Around all day with an aching back,  
Can't rest at night;

Enough to make anyone "give out,"  
Doan's Kidney Pills are helping thou-

sands.

They are for kidney backache,  
And other kidney ills.

Here is Norway proof of their merit:  
John F. Sampson, prop. painting es-

tab, 174 Main St., says: "I was feel-

ing run down and miserable. I was

tired and nervous and my kidneys didn't

act regularly. At times the secretions

passed too frequently, then again they

were scanty. My head ached night and

day. A friend advised me to try Doan's

Kidney Pills so I sent to Stone's Drug

Store for them. When I had finished

taking Doan's, the trouble left and I

have not been bothered since. I can

certainly recommend Doan's to anyone

afflicted likewise."

## VAIN TO ASK

I sat apart in the spacious church  
While the choir trilled its tunes  
And thought I would how poor they ring  
Beside the ancient runes.

But one strain caught in my ear and held,  
It was a plaintive melody,  
"What hast thou given to me, O Lord,  
Nor send in any key?"

No answer came to my ear or chord  
No answer rests on human lips;  
"What hast thou given to me, O Lord,  
Nor send in any key?"

They cast their burdens on the Lord,  
And there they let them lay,  
His is the load that time and space  
Until the Judgment Day!

1924 MODEL

THE STUDEBAKER BIG-SIX SEVEN-PASSENGER TOURING CAR \$1750

## 1924 Model Big-Six Again Leads in Intrinsic Value

Many motorists who have always insisted on the best in everything they buy, have discarded their heavy, bulky, high-priced cars and have replaced them with the Studebaker Big-Six. And they report that, in every way, it represents precisely their conception of what a really fine motor car should be. They are enthusiastic over their all-round satisfaction with the Big-Six because of its dependability, surplus power, extreme comfort for seven passengers, the completeness of its equipment and its fine appearance.

The series 24 model—the finest Big-Six Studebaker ever built—presents a value unapproached by other cars at anywhere near the price. And its nominal cost of operation is a source of continual satisfaction.

Everything for which one can wish in motoring convenience, comfort and utility has been provided—even to an extra disc wheel complete with tire, tube and tire cover; handsome nickel-plated bumpers, front and rear; automatic gasoline signal mounted on instrument board, and many other features.

The low price of the Big-Six is due to large volume, the fact that Studebaker overhead is shared by three models, the manufacture of all vital parts in Studebaker plants and Studebaker's vast physical and financial resources.

After 71 years of service, the name Studebaker enjoys confidence and respect more than ever.

### STORY OF BY-GONE DAYS

Twenty-six Years Ago To-day

Thomas Harney of Lynn, is the new assistant foreman in the Spinney Co. cutting room.

A gold lettered sign, "Wetherell Park" has been put over the Main street entrance to the lawn opposite the shoe factory. It is named in honor of I. E. Wetherell, who had the trees set out and graded the lot.

One hundred and twenty-five Italians arrived, Saturday, for a camp near Norway Center. They are to be employed on the Oxford Central Ry. construction. Work commenced Monday on Rufus K. Morrill's land. They are working in three crews of forty men each.

Edison's Projectoscope attracted a large crowd to Norway Opera House this week. This is the first moving picture show to visit us and proved a decided novelty. Music was furnished by another late invention, the magnaphone.

Electra Park, between Norway and South Paris, is drawing crowds with an entertainment every evening and a preaching service or sacred concert Sunday. Owners of this resort are Geo. M. Atwood, H. L. Horne, Frank B. Lee, Ernest Rowe, F. A. Shurtleff and Walter P. Main.

Thomas Smiley arrived this week and has taken over the dry goods business purchased from Noyes & Andrews, located in the block with the Noyes Drug Store.

F. Wilson is on the road selling peanut roasters and his patented drip pans for molasses houses.

Norway High School Alumni Association celebrated the semi-centennial of the founding of the Norway Liberal Institute, in the Opera House, Wednesday. Business and general exercises during the day with a banquet and musical program during the evening.

The ancient elm in front of J. W. Swan & Co.'s store, on Main street, was removed this week.

### ACADEMY CLASS ANNUAL REUNION

The annual get-together of Gould's Academy classes '88 and '89 was held on Wednesday, Aug. 15 at Sunshine Lodge, Papoose Pond, Waterford, the summer home of Mr. and Mrs. A. R. Clark of St. Petersburg, Fla. A more delightful day would be hard to find, and this perfect setting with fine weather, made the reunion one of the best in the history of the classes. Mr. and Mrs. Clark entertained royally, and the hours passed altogether too quickly.

Gould's Academy campus was the place designated for the meeting so the trip in automobiles to the beauty spot in East Waterford was indeed a surprise. About thirty-five assembled under the pines, where a sumptuous picnic dinner was served at one o'clock. Good cheer reigned and the party had a merry time.

After lunch Fred Clark of Bethel acted the part of "Master of Ceremonies" and called on Frank A. Linscott of Wollaston, Mass. "Prof." Linscott as he was known at Gould's some thirty-five years ago, needed no introduction. As associate principal with the late Alvin C. Dresser, he left a wholesome impression on the minds of the student body, that can never be forgotten. Years as a prominent Boston attorney have failed to erase from his mind "school happenings," and his reminiscences were happy allusions to unusual incidents characteristic of the young people under his watchful eye. In theatrical terms, the "Prof." brought down the house and responded to several queries.

Rev. Stanley Carney, pastor of the First Parish church at Gorham spoke interestingly and made special reference to the noble spirit, which for thirty-five years had glowed with increased beauty in the life of the alumni.

The school song, written by Addie M. Gordon of Bethel, was sung, led by Harry M. Jordan, cornetist, of Bethel. Sociability was in order for the remainder of the afternoon. Not a dull moment or a lull in story telling was allowed while recalling those eventful years in acquiring a start on life's highway.

It was announced that Mr. and Mrs. L. V. Bartlett, of Bethel, would entertain on or near this date next year.

Those present were: Mr. and Mrs. Frank A. Linscott and daughters, Jeanette, Isabel, Ruth and Miriam, of Wollaston, Mass., Mr. and Mrs. Wm. F. Eldredge and son, Arthur, of Rockport, Mass., Mrs. Alfretha Farwell Edwards, Portland, Miss Frances P. Carter, Portland, Mrs. Wm. S. Carney and Honor, Harlene, Lloyd and Margaret, Gorham, Mr. and Mrs. Fred Clark, Bethel, Mr. and Mrs. Harry A. Jordan, Bethel, Mr. and Mrs. L. V. Bartlett and son, Harold, Bethel, Mr. and Mrs. Herbert C. Rowe, Bethel, Mr. and Mrs. A. Van Dusen, Bethel, Mr. and Mrs. Addie Gordon, Bethel, Fred E. Gordon, Bethel, Miss Elizabeth York, Bethel, Mr. and Mrs. A. R. Clark and son, Richard, St. Petersburg, Fla.

### GAS TAX

It is estimated that the gasoline tax will bring into the state of Maine a revenue of \$500,000 per year. During the first twenty-five days of July the Standard Oil Co. paid to the state treasurer \$24,000.

Under section eight of the tax law half of the receipts from the levy must be devoted to the maintenance of roads and bridges and the remainder added to the fund for the construction of third class highways. It is provided, however, that in case of the adoption of a constitutional amendment providing for a bond issue for highway construction, the total receipts of the tax shall go for maintenance.

## FATHER FOUND TWO-YEAR-OLD BOY VERY SICK

Was Constipated, Thin, No Appetite, Had Swollen Lips, Stomach Pains

A hardy woodsman and enthusiastic fisherman of Maine, has a very interesting record to report. He writes: "As a boy, thirty-seven years ago, I began to take Dr. True's Elixir, the True Family Laxative and Worm Expeller. Once after six months hauling logs, I came out of the woods and found my two-year-old boy very sick. He was thin, had no appetite, had swollen lips, pains in stomach, was suffering from constipation for months."

"I had not been in the house an hour when an elderly lady—a good neighbor—came in and told my wife to get a bottle of Dr. True's Elixir, saying she had seen numbers of similar cases which it had relieved."

"My boy was given a half dozen doses of Dr. True's Elixir, when he passed a lot of worms and right away began to show improvement; he began soon to eat with a relish, play around and look healthy. He did not have to take a full bottle, and in later years, whenever he got off his feed, a few doses would straighten him out quick."

"When I got constipated, a couple of teaspoons of Dr. True's Elixir, the True Family Laxative and Worm Expeller, fixed me O. K."

"My son is grown up now and has a family of six children, and he has practiced the same plan."

He raised his family on Dr. True's Elixir. The children go out and get hold of something not good for them. It's hard to watch all the children, and so when they eat something they shouldn't and get sick, Dr. True's Elixir is given and the family is put in good shape again."

"I have read in the papers you have to take a half a dozen bottles of some remedies, but you don't have to do this with Dr. True's Elixir. Simply a few doses and then quick relief. The three generations of my family have been kept healthy by using it."

Symptoms of worms: constipation, offensive breath, swollen upper lip, deranged stomach, occasional pains in the bowels, pale face, eyes heavy and dull, short, dry cough, grinding of the teeth, red spots on the tongue, starting during sleep, slow fever.

Nearly every child and grown-up needs a laxative sometime. The fond parents safeguard the health of their children, as well as their own, by keeping their bowels in condition. The herbs used in Dr. True's Elixir, are imported and of strict purity quality. No harmful drugs. Keep the bowels regular by using Dr. True's Elixir, the True Family Laxative and Worm Expeller. 40c, 60c, \$1.20.

### BRYANT'S POND

#### The Dudley Reunion

Thursday, the sixteenth day of August, will be a memorable day in the Dudley family as it was the day that Mrs. and Mrs. Ansel Dudley of Bryant Pond entertained the family at their annual reunion.

Promptly at twelve o'clock forty-five sat down at long tables, which had been arranged for the occasion, in the Dudley Opera House. Following the luncheon a delightful program was enjoyed, which had been arranged by the program chairman, Mrs. Deke Dudley. The following members of the family took part:

Address of Welcome..... Carl Child Dudley  
Response..... Mrs. Frank Dudley  
Song.....  
Piano accompanist, Mrs. Ansel Dudley

At the close of the program a re-election of officers took place for the ensuing year: President, Mrs. Gertrude Dudley Hammond; Vice-president, Mr. Charles S. Dudley, and Mrs. Alton Bacon was elected secretary of the organization.

The reunion will be held next year with either James Dudley or Mrs. Gertrude Dudley Hammond, to be definitely decided upon later.

Mr. and Mrs. Ansel Dudley are most genial hosts and at the close of the afternoon a rising vote of thanks was extended to them for their gracious hospitality.

Mr. Dudley is an old and prominent citizen of the town of Woodstock, and was born there seventy nine years ago. He has been a merchant at Bryant Pond for fifty three years and has always been closely identified with everything that pertained to the advancement and welfare of the town and community in which he has lived.

Mr. Dudley has two children, a son who is also a merchant at Bryant Pond and a representative at Augusta; and a daughter, Mrs. Ralph Waldo Bucknam, a resident of Hollywood, California. Mr. Dudley has recently retired from business and is planning to spend the winter with his daughter in Southern California.

Mrs. Dudley, his wife, will also accompany him on the trip.

One interesting fact was brought out at the reunion, when Dana Dudley mentioned the fact that the combined ages of his uncle Ansel Dudley, Aunt Angeline, Dudley Bowker, the oldest member of the family who is now ninety years of age, Aunt Adelia Dudley Curtis, Aunt Amanda Dudley Sheehan, and Aunt Evelyn Dudley Young represented over four hundred years. The following are the names of those present:

Carl C. Dudley, Bryant Pond.  
Mrs. Olivia Dudley Bucknam, Hollywood, California.  
Mrs. Angie Bowker, Bryant Pond.

Not all the "gang" were there, some being unavoidably detained but the thirty-five or forty people privileged to be present speak in glowing terms of the hospitality and comradeship which made the day one long to be remembered.

W. A. Garner and family accompanied by W. H. Garner and wife, are spending a few days at Bar Harbor.

The concert given in the Knights of Pythias hall on the evening of Aug. 17th, was unusually fine and much appreciated. The concert was for the benefit of the prospective library and was well patronized.

### FROM THE HILLS OF MAINE TO THE WHITE MOUNTAINS OF NEW HAMPSHIRE

Mrs. Lydia Lord Shedd.

A party of fifteen starting from North Waterford, July 30th, took a trip by auto to the White Mountains in New Hampshire. Those in the party were, Walter Lord, wife and three children, Kathleen, Lee, and Stanley, Mr. and Mrs. Pearl Weymouth and son, Albert, George M. Bickford, Mr. and Mrs. Jesse Littlefield and three children, Willis, Melvina and Edith, Mrs. Lydia L. Shedd.

Going by way of Bethel, crossing the beautiful Androscoggin river, on to West Bethel, passing a lovely camp ground surrounded by gray birches. All along the roadside were lovely silver birches for many miles, crossing many brooks, passing many tourists camping by the roadside and cozy camps in Mason, through Shelbourne, N. H. Here is the famous Astor estate, now owned and occupied by Prof. Chapman; one of the loveliest places in New Hampshire.

Here for miles, on each side of the road, a fence, painted red, encloses the property of this beautiful estate. Over Peabody River to the Mount Madison House. Through this vicinity are splendid orchards. More apples are here than in any place we have seen this year.

The crops are looking fine, especially the potatoes. This seems to be a fine farming country. In the distance is Cherry Mountain Slide, Sam Fay Farm, Ravine House, Highlands, Auburn Hotel, Waumbec Hotel, the beautiful Jefferson Meadows and large chicken farm. Past Bethlehem with its thirty hotels, Meadows Inn, Meadows Settlement, Cherry Mountain House. Saw the Lake of a Thousand Islands and the Holstein farm near by, Twin Mt. House, Willow Farm, Sunny Vale House, Little side Lodge, Grand View Hotel, Supreme View Inn. These are beautiful hotels.

A view of the Presidential Range faces them all. The Maples, Carroll Inn, The Silver Fox Ranch. The Free Camping Ground near was an ideal camping place for tourists.

Echo Lake, the most beautiful of all lakes we have ever seen. This is the original Echo Lake though many other mountain lakes have borrowed the name. Here tower Eagle Cliff, Mount Lafayette.

Eagle Cliff is 5259 feet high. Eagle Cliff is 1472 feet high, steep as the walls of a house. When Marquise de Lafayette visited America in the year 1825, this mountain was named in his honor. It is one of the most beautiful peaks in New Hampshire. We passed the beautiful Profile House, in the Franconia Notch. Of all the White Mountains Notch, not one had a finer situation than this. Higher than the streets of Bethlehem or the famous Hamlet of Jefferson. Surrounding the house were giant cliffs. Upon one of these cliffs is the wonderful profile called "The Old Man of the Mountain."

Hence the name of this wonderful hotel. But sad to relate, this beautiful building lies in ashes to-day, having burned to the ground Aug. 2. Some of our party witnessed the terrible scene. Jesse Littlefield, his wife and son, Willis, and George M. Bickford. We all saw the smoke when it started. We were at dinner. The fire was directly in front of our cottage, and taking a car they drove to the scene of the conflagration. One of the most pitiful sights we have ever beheld.

We next came to Indian Head Place, owned by R. W. Gordon, North Woodstock, N. H. Here we saw the "Three Black Bears" and witnessed their antics, drinking beer from bottles, turning somersaults and eating from the children's hands. Claud Selver, owner and trainer of the bears was very cordial.

Pernigavasset River Valley, Indian Head, is the name of this place. The famous free camping grounds are here, where tourists come from all over the world to enjoy the beautiful scenery.

Here is a grand observation tower, 75 feet tall. Here is a general store where souvenirs of all kinds can be had at very reasonable prices. This place is an ideal spot for tourists. Everything is found here for ones comfort, eggs, milk, butter and groceries of all kinds.

At this place we bought souvenirs of "The Old Man of the Mountain." This image projects from the cliffs twelve hundred feet above the lake at the foot of the mountain. It is 40 feet in height. A part of the face has been chained on by the government this summer as some of the granite was working loose. This is the most wonderful formation of nature seen in all the region of the White Mountains. The savages thought this a manifestation of the Great Spirit.

The famous Plume is a grand sight. This is a deep and narrow fissure 700 feet long from 10 to 20 feet wide. This fissure has been formed by a mountain brook crumbling the granite ledges until it forms pools sixty feet deep. Thousands of tourists visit this place yearly. This is in Franconia, about five miles from the Profile.

The Pool is near the Plume and is in Pernigavasset River. One hundred feet wide surrounded by black walls of great height. It resembles one of the famous Albany Basins. This Pool is one-half a mile from the main road. The water enters the Pool in a beautiful cascade, and comes out a roaring rapid.

We visited Lincoln Village, saw many pretty places here, the High School, Lincoln Inn, Mrs. E. C. Hevey's mansion, the millionaire home and many other fine buildings and the paper mill.

We made our stopping place at Cold Springs, Lincoln, N. H. in a fine cottage in the heart of the White Mountains, owned by Mrs. Della Minor, one of the most social and accommodating of landladies. We had clean white beds, good rooms and extra furnishings. A new one hundred dollar stove to cook over and the best of dry wood furnished. This cottage brings her \$25 a week. She has a number of other tourists' camps. She furnishes dinners, lunches, ice cream and all kinds of food at a reasonable price. The famous "Cold Spring" is here. The name of her place is "Cold Spring Cabin."

We visited Lost River, in the Kinsman Notch, six miles from North Woodstock, N. H., and one of the greatest wonders of the White Mountains. This mountain gorge was once the bed of a river, containing sixty-three thousand acres, more or less, for the term of four years. During the last day of October, A. D. 1923, during which period it shall be unlawful for any person to have in possession at any time any wild bird or wild animal, or parts thereof, taken within the above described territory.

Section 2. Whoever violates any provision of the rules and regulations shall be subject to a penalty of not less than ten nor more than three hundred dollars and costs for each offense, or imprisonment for sixty days, or both, and fine and imprisonment.

Dated at Augusta, Maine, this 16th day of August, A. D. 1923.

84-96 WILLIS E. PARSONS, Commissioner of Inland Fisheries and Game.

hour to go through the Gorge usually. From July 1st to October, guides are here for the safety of the visitors. Twenty-five cents is charged for the trip.

Crossing a bridge and down some steep steps, one comes to a large overhanging rock. Under this rock the river is seen. "Hall of Ships," the large boulders look like ships on every side. Boulders as large as a house. The first great cave is called, "Shadow Cave." The loveliest sight of all is "Paradise Falls." A great place to give one the chills is passing under a sharp edged boulder, seemingly suspended in air called, "The Guillotine." A fearful sight is the entrance to "Lost Souls," yawning chasms of awful depth, bridged by ladders of logs. Too trying to the nerves one might think.

Here once was an ancient whirlpool called "The Gints Pot Hole," the center of the earth, dark and terrible. The entrance to "Judgment Hall of Pluto," is hair raising. "The Lemon Squeezer" is not made for fat men and women. The "King's Chamber" is fine. George M. Bickford of Kansas City, Missouri, one of our party, is the oldest man who has ever been through "Lost River" and the "Plume" in one day. His age is 85 years. He is a war veteran.

Our return trip was made by the Profile ruins, Echo Lake and through Crawford Notch, past the "Elephants Head" just at the entrance of Crawford Notch. Here we ate our dinner, near the Willey Cabin, on the free camping grounds. We had hot beans, scrambled eggs, bread and butter, cheese, bananas, cake and hot coffee. We passed many beautiful summer houses, too numerous to mention, before coming to Crawford Notch. We saw the Giants Stairs, Willard Cliff, Frankenstein Trestle, the Crawford House and Saco Lake, where the most beautiful river in the world, to us, rises. We saw many splendid hotels in Bartlett and Middle Intervale, Conway and Fryeburg. We stopped in Fryeburg village for refreshments. Through Lovell village, No. 4, Center, Lovell North Lovell, Stonham, where we called on Curtis Bickford and wife at the Kee-waydin House on Keevaydin Lake, East Stonham, passed the last Inn at Lynchville, the "Oquirro Inn," owned by Roy H. ### What Miles Do To Your Battery

The first depends entirely upon you and your needs. If your kind of driving makes unusual demands upon the battery, you may get somewhat fewer months of battery life but—other things equal—you will get a very satisfactory mileage. Cost per mile is as fair a basis for comparison, as cost per month!

## JOY OF HEALTH WOMAN'S RIGHT

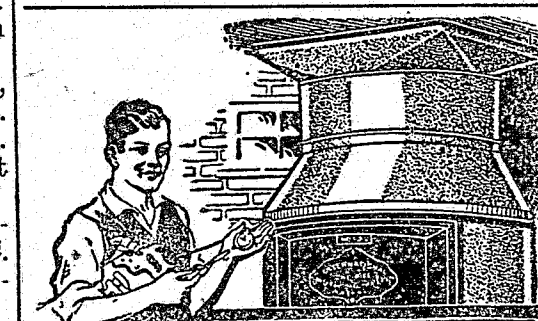

Mrs. Evans Freed from Female Weakness by Lydia E. Pinkham's Vegetable Compound

Detroit, Michigan.—"I had female weakness with pains in my back, and I could not stand on my feet for any length of time. I was working in a factory but had to quit as I was too much on my feet. A friend recommended Lydia E. Pinkham's Vegetable Compound to me, and I can hardly believe it myself that I am well. Oh, it is a grand thing to have your health! I feel well all the time and can go out like other women and not feel that awful torture. When I took your medicine first I thought it should cure after the first bottle, but I am glad my husband kept me at it. I have had nine bottles and now I am well." Mrs. JENNY EVANS, 1604 Lafayette Blvd., Detroit, Michigan.

If you are suffering from displacements, irregularities, backache, nervousness or other forms of female weakness, you should take Lydia E. Pinkham's Vegetable Compound.

The reason is given in letters like these, and we have published thousands of them. You may expect that a medicine that has helped other women will help you. Try it.

## Estate HEATROLA

is the new-day way of heating for small homes—with or WITHOUT BASEMENTS. Installed in one of the living rooms, it supplies moist warm air to all connecting rooms—upstairs and down.

Results are amazing. The owner (or renter) of a small home is now offered all the advantages of warm-air heating at low cost.

Estate Heatrola burns any kind of coal—hard or soft, lignite or slack. Wood also can be used with highly satisfactory results.

The beautiful mahogany finish of the Heatrola is a vitreous enamel—hard and smooth as glass, and practically everlasting. It is grained to look like rare old mahogany. You can rub it and dust it with a cloth, just as you do your furniture. No cast-iron parts to black; no nickel to polish.
